RE: AUTHORIZATION LETTER FOR BUSINESS PARTNER

Dear Ms. Chernova,

Pursuant to your request dated 29-March-2012, please accept this letter as written confirmation that Zeinet LLP is an authorized Business Partner of Fiber SenSys, Inc., for Fiber Optic Intrusion Detection Systems in the Republic of Kazakhstan.

Fiber SenSys, Inc., authorizes said company to provide sales, marketing, demonstration, installation and maintenance for their clients for fiber optic intrusion detection system products. Further, 9-September-2011, two engineers from Zeinet LLP traveled to Fiber SenSys' factory headquarters located in Hillsboro, Oregon, U.S.A. to attend factory training. Engineers Stanislav Yarushin and Vitaly Shmelyov were provided with Certificates of Training for Fiber Defender FD3XX Series for comprehensive product training course.

This letter of authorization for business partner is valid for a period of one year from the date of this letter and may be renewed at the end of one year at the sole discretion of Fiber SenSys, Inc.

Should you have any questions regarding this letter, please contact Mr. Ken Glatthar, Director of International Sales; [ken.glatthar@fibersensys.com](mailto:ken.glatthar@fibersensys.com) or mobile +1.503.490.3103.

Sincerely,

A handwritten signature in black ink that reads "Ken Glatthar".
